## Instructions

1. Use a separate request form for each sample submitted.
2. A minimum of three milligrams of sample should be submitted.
3. Samples should be clearly labeled with your name and sample name or number.
4. Submit samples in screw- or snap-cap vials; no round bottom flasks will be accepted.
5. In order to be able to use the appropriate standard, please provide theoretical values for C, H, and N.
6. Place sample request form on the counter along with your sample (if submitting electronically, please place sample on the counter). The results can be picked up from the same place.
7. Radioactive samples will not be accepted.
